Regional Flood Control Technical Advisory Committee Meeting Cancelled for March 26, 2020

The Regional Flood Control District's Technical Advisory Committee meeting has been cancelled for March 26, 2020.

If the cancellations are extended beyond March, the Regional Flood Control District will issue another notice.

This action is being done out of an abundance of caution in the face of the local COVID-19 situation.

VISION AND MISSION

The Regional Flood Control District (District) is a premier regional agency providing a community safe from the devastation of floods while protecting the surface water environment.

The mission of the District is to improve the protection of life and property for existing residents, future residents, and visitors from the impacts of flooding while protecting the environment.
